Registration: Collect registrations during the convention. Schedules will be set up ahead.

Hospitality: Greeters are needed at front and rear entrances, especially during the beginning of the scheduled dance times.

After Party: Some set-up and serving of foods after the dances at the Host hotel.

Decorations: Decorations will be put up on Friday morning before the convention. There are many rooms to decorate.

Advertising: Advertisements can be solicited from any where in the state. Our dancers come from many areas and often visit other Dances and festivals.. Are there favorite restaurants in your area that your club visits. They may want to place an advertisement in our Program Book.

Sew & Save: Are you handy with crafts? Many items are being made ahead for give-a-ways, but some things will be made at the Sew & Save area.

50/50: There will be a drawing on Friday, Saturday and Sunday evenings at the convention. These tickets need to be sold each night during the dance. Take a break from dancing one evening and sell some tickets.

Fashion Show: We have no chairman for this yet. Are you willing to try??
